Land Use Area I:	All Residential Zoning Districts and the grounds of any school, day care, hospital or similar health care institution, house of worship or library while the same is in use, and any Cemetery.
Land Use Area II:	All other properties.

1.03 Exterior Noise Standards.

It shall be a violation of this bylaw for a Major Non-Residential or Special Residential Construction project, as defined by paragraph 1.00, to create Intruding Noise, or to allow the creation of any noise, on property owned, leased, occupied or otherwise controlled by such entity, which causes a sound level which exceeds the limits set forth for the receiving land use category in Table 1, without prior written approval from the Special Permit Granting Authority, when measured at or within the property boundary of the receiving land use. Daytime measurements are to be determined at an L10 level provided that at no time shall the exterior sound level in Land Use Area I exceed 90dBA or cause a PURE TONE condition for the receiving land use category.

Table I. Maximum Allowable Exterior Sound Level

Land Use Area	Daytime level 7:00 AM to 6:00 PM	Nighttime level 6:00 pm to 7:00 AM
Land Use Area I	70 dBA	55dBA
Land Use Area II	N/A	N/A

If the intruding noise is continuous and cannot reasonably be discounted or stopped for a time period whereby the background sound level can be determined, the measured sound level obtained while the source is in operation shall be compared directly to the maximum allowable exterior sound level outlined in Table I.

1. Construction & Demolition

Notwithstanding the provisions of Section 1.03, the following are the maximum noise levels that may be permitted by the Special Permit Grating Authority for Construction and Demolition purposes:

- a. Unless otherwise permitted by the Special Permit Granting authority, the cumulative noise level of all construction and demolition on one site at any one time shall not exceed 90dBA. No individual piece of equipment shall exceed a maximum noise level of 90 dBA. **Noise levels shall be measured at or within the property boundary of the receiving land use.**

1.04 Site Plan Review & Special Permit Requirements.

Prior to the issuance of a Special Permit under section 10.00 Major Non-Residential Projects, or Special Residential Projects under Section 7.0 of the Andover Zoning Bylaw, approval of any potentially nuisance generating facility with potential to impact any Land Use Area I receptor, the applicant shall be required to demonstrate to the Special Permit Granting Authority the unlikelihood of noncompliance with such Noise Limits and Standards, or that proper mitigation measures will be taken as a condition of permit issuance.

The Special Permit Granting Authority may, at its discretion, require pre-construction background sound level readings during the daytime, night time and weekend hours from the applicant at the time of the public hearing. Pre-construction background noise levels are to be recorded with a sound level meter by a professional trained in providing such documentation.

1.05 Special provisions.

No complaint or further action shall be taken in the event the cause of the violation has been removed or fully corrected within the time period specified in the written notice.

ARTICLE 37	GENERAL BYLAW AMENDMENT - OUTDOOR DINING OR RETAIL LICENSE BYLAW
-------------------	---

To see if the Town will vote to amend the General Bylaws of the Town Article XI Section 9, as follows:

OUTDOOR DINING OR RETAIL LICENSE BYLAW

SECTION 1 - LICENSE

Section 1.1 Purpose, Scope, Authority

The purpose of this bylaw is to provide for the licensing on public property of outdoor dining areas and the placement of retail furniture, products and/or fixtures of appropriate design, configuration, and appearance that will be an amenity to the Town during the spring, summer and fall. The Select Board may issue annual outdoor dining and retail licenses which shall be for or within the period from March 1 to November 30. Licenses shall be valid for one season and must be renewed annually. If a licensee previously issued an outdoor dining or outdoor retail license by the Select Board wishes to renew that license for activities substantially identical to those previously licensed, the Town Manager may issue the renewal license without action by the Select Board, provided the licensee submits all necessary materials required for renewal.

Section 1.2 Conditions of the License

The Select Board shall impose such conditions on each license as the Board determines to be appropriate and in the best interest of the Town. License fees shall be established by the Select Board. The Select Board may also make such regulations governing the outdoor dining or retail licenses as the Board considers to be necessary or appropriate to carry out the purposes of this bylaw.

Section 1.3 Design and Appearance

The outdoor dining placement of tables and chairs containing nine (9) or more seats shall be separated from their surroundings by a perimeter fence or barrier. No such fences or barriers may damage the public property. Perimeter treatments, umbrellas, furniture and trash receptacles shall be supplied by the licensee and shall be maintained in a safe and sanitary manner by the licensee. All trash receptacles shall be covered and trash removed nightly. All perimeter treatments, umbrellas, furniture and trash receptacles placed by the licensee must be removed at the end of each season.

Section 1.4 Pedestrian and Wheelchair Passage

In no event shall the placement of furniture, fixtures, products, umbrellas, perimeter fences or barriers create a pedestrian or wheelchair passage width of less than what is required by 521 CMR.

Section 1.5

Outdoor food preparation shall not be allowed unless approved by the Board of Health in accordance with their procedures and regulations.

Section 1.6 Other Licenses and Approvals

Approval of an outdoor dining or retail license shall not be construed as an approval of any other license or an approval for the alteration or extension of premises where alcoholic beverages are served. The serving or consumption of alcohol outside of premises duly licensed for the service of alcohol is expressly forbidden unless approved by the Select Board.

Section 1.7 Temporary Seating

Due to the seasonal and temporary nature of outdoor dining areas, the seating allowed by an outdoor dining license will not be considered an increase in the number of seats serving a business establishment, and will not be counted toward any off-street parking requirement.

SECTION 2 – SUBMISSION AND APPROVAL OF APPLICATION

Section 2.1 Filing Procedure

Application for an outdoor dining or retail license shall be made to the Select Board and a copy shall be submitted to the Inspector of Buildings, Board of Health, Andover Fire Rescue and the Andover Police Department for their reviews. When located within the General Business and Mixed Use Zoning Districts, the applicant shall consult with the Design Review Board prior to seeking a license. Each application will include the name, address and telephone number of the

business owner, the proposed dates and times of operation, and a plan meeting the requirements of Section 2.2 below. The application shall be signed by the owner of the building or owner's representative or attorney.

Section 2.2 Plan Requirements

A neatly drawn scaled plan and seven (7) copies shall be submitted with the application depicting the precise dimensions and location of the temporary and seasonal placement of outdoor dining areas and placement of retail furniture and fixtures; the arrangement of furniture, perimeter fencing, umbrellas, and any other obstruction, and the width of sidewalk/parking space/other public area to be used, and a description of the area available for pedestrian and wheelchair passage. The plan will also include a written description of the colors and materials to be used. Photographs or samples of proposed furniture and materials shall be provided upon request of the Select Board or Design Review Board.

Section 2.3 Insurance

The licensee shall carry or require that there be carried Workers' Compensation Insurance for all employees and those of its contractors and/or subcontractors engaged in work at the business or dining facility, in accordance with the State Workers' Compensation Laws. The licensee shall, prior to the issuance of the license, furnish a certificate of insurance with associated endorsements to the Town evidencing coverage for all insurance required by the Town. In addition, the licensee shall carry Commercial General Liability Insurance and, if applicable, liquor liability insurance, to cover the licensee and its contractors and subcontractors against claims due to accidents which may occur or result from operations under the license. Such insurance shall cover the use of all equipment related to the provision of temporary and seasonal outdoor services. The Commercial General Liability Policy shall insure against all claims and demands for bodily injury and property damage with respect to the temporary and seasonal outdoor dining facilities and retail services, and shall be in such form and amount as determined by the Select Board. The Town shall be named as an "additional insured" in all policies for such insurance. All insurance policies shall be primary and noncontributory and shall contain a waiver of subrogation in favor of the Town. The licensee (and their heirs, successors and assigns in interest) shall also agree to hold harmless, defend and indemnify the Town of Andover and its employees and agents from any responsibility, liability and claims arising out of or related to the operations under the license. Where such insurance is renewed or replaced the licensee shall furnish the Town with a certificate of insurance and endorsements evidencing the same.

Section 2.4 Approval

The Select Board may approve an outdoor dining or retail license after determining that the design and location is suitable to its environs, and that all other requirements of the license have been met. The Select Board shall consider any comments made by the Inspector of Buildings, Board of Health, Andover Fire Rescue, Andover Police Department, Planning Division or the Design Review Board prior to rendering a decision.

Upon approval of an outdoor dining or retail license by the Select Board, the owner and operator of the business and the Select Board shall sign a License Agreement prepared for these purposes

by Town Counsel and shall pay any applicable license fee prior to the commencement of any activities under the license.

SECTION 3 – SEVERABILITY

Section 3.1

If any provisions, paragraphs, sentence, or clause of this bylaw shall be held invalid for any reason, all other provisions shall continue in full force and effect; or take any action related thereto.

On request of the Planning Board
